

# BAUSCH & LOMB StereoZoom 4

Reference # BL-SZ4-A

Your Price \$675

The Bausch & Lomb StereoZoom 4 is one of the most popular stereozoom microscopes previously on the market.

You will find hundreds of these microscopes still fully functional in classrooms and manufacturing companies. This stereo microscope was taken in as a trade and has been serviced and cleaned by a factory trained technician.

## **Bausch & Lomb StereoZoom 4 components include:**

- Bausch & Lomb StereoZoom 4 microscope with .7x – 3x zoom range "A" stand
- Pair of 10X widefield Bausch & Lomb eyepieces with eyeguards
- Price includes 1 44 LED ringlight with adapter and dust cover (not shown)

Microscope is clean and in excellent mechanical and optical condition. 1 year mechanical warranty.
